The only communications I have had with Flint are when I was copied on an email that was either directed to someone in Flint or someone from Flint was also copied on the message. I assume the District Staff will identify those messages and include them as appropriate.

Subject: Communications between City of Flint and DEQ

Liane,

Rep Neely has requested any communications that DEQ has had with City of Flint between February 2015 and today. Could you please pull that information together and get it to Sarah by COB on Thursday? She will then forward it the Representative's office.

Please let me know if you need any additional details.

Thanks,
Maggie
