FYI – we received the invitation through DHHS. This may help explain the reaction to our participating.

Subject: Corrosion Webinar from Monday

Hi Liane,

To follow-up, Jennifer and I were not allowed to attend the webinar.

Jen got a call from Jim Holler of ATSDR, who originally invited us to attend, to let us know that he had been told that we could not be invited. It was because the presentation had not been cleared by EPA's clearance process to be presented to MDHHS. I guess we were not on the original presentation request.
