Subject: Public Works Meeting
Date: Wednesday, January 07, 2015 2:18:09 PM

Howard,

This note confirms my telephone discussion with you today. The city has scheduled a Public Works Committee at 5pm today and the TTHM violation is on the agenda. The meeting will be open to the public and will also have media coverage. Given the timing of the meeting (today at 5pm) the DEQ will not be able to participate. The DEQ is willing to participate in a future public meeting (in the next one to two weeks). Please notify us of the next planned meeting(s) and request the department's participation to help answer questions and/or to speak on specific items pertaining to this issue. Please send the request to me so I can organize our participation. If you have any further questions, please call me at your earliest convenience.

Michael Prysby, P.E.

District Engineer

Office of Drinking Water and Municipal Assistance
