I think it is where it needs to be – in the Lansing District. If you want to record it as such, do so. You could also send a copy to Pat Cook in case he has anything, but I suspect Steve and Mike Prysby will be talking to Pat about it.

Does this need to go to someone in CDWU?

Dear Mr. Edwards,

In regards to your FOIA request of September 7, 2015 (6526-15), could you please clarify if you are looking for information regarding corrosion control in the Flint River, or corrosion control at the Flint Water Treatment Plant.

Thank-you,

Jo Anne Rennaker
