Subject: legislative inquiry on Flint water situation - request for a call
Importance: High

Hello,

Geralyn Lasher and Elizabeth Hertel have requested a call today if possible to discuss the Flint water situation. I know you had a call yesterday with Linda Dykema and some other staff so I apologize if

this is redundant. Hopefully it will only take a few minutes to help us get on the same page about an appropriate response and any potential action steps. Is there a time today that will work for you? Please let me know and we will make it work on our end.

I can be reached at 517 335-8701 if you have questions.

Thank you!

Mikelle
