I have copied the contents of the CD to the U drive.

Heather ordered a large flash drive via Rosemarie for transmittal. I think the docs should be saved from the disc by Jo Anne to the U drive (especially so we can access them in the future and preserve what has been scanned)...that location is here:

Thanks,

Tracy Jo

I believe the Lansing District Office file has been scanned and can be provided. We can follow up with e-mails. They're taking a little bit longer.

JoAnne – is the Lansing file on a CD or a flash drive? I'm wondering how best to get it to the Representative.

Maggie and Heather are handling this as a legislative inquiry (not a FOIA request); however, I know that they're still waiting to receive PDF documents from various staff, including Lansing District Office.

Good morning.

It has been over three weeks since we last spoke and over five weeks since Mr. Phelps emailed you. In that span of time, we have received nothing.

Mr. Phelps' initial FOIA requested all correspondence. That FOIA was sent out months ago. The DEQ acknowledged that responsive correspondence existed in late October. Yet, as of today, we have not received a supplemental response from the DEQ.

What is the status of Mr. Phelps' request?

Thank you.
