Hey Brad: Any word on my best contact? Sorry. We're getting hammered by rain again today and so I'm hoping to check today.
Thanks again,

Hey, Ron.
I'll get you both. I'm not sure how fast the reporting gets put to the database.

Subject: sewage spill reporting

Hi Brad:
Is there a resource online that I can check for any reported sewage spills reported by local communities?
If not, is there a person you could suggest I check with on the same subject.

With Flint drawing water from the river for drinking now, I'd just like to keep an eye on that and last night's heavy rains reminded me to check.
Hope all is well there, and thanks,
