Thanks – that was a good number and she apparently handles the Emergency Managers schedule as well so I received her voice mail but left her a detailed message that:

1. Beth of Treasury will be trying to reach her to schedule conference call yet this week; and,
2. I am calling to try and schedule a meeting next week (preferably Wednesday or Thursday) with the EM in Flint or in Lansing.

I will keep you posted when I hear back.

Thanks.

 Subject: Telephone Number for Darrell Earley
 Importance: High

Every time I try to reach the City of Flint I am on hold for 10 minutes or longer and

cannot reach anyone.

I have a number for the Mayor's office but only get a busy signal.

Do you have a direct number for Darrell Earley, the Emergency Manager for Flint?

Thanks.
