It is my understanding that the Director spoke with Liane and Maggie about the plan of action for this. I don't believe we are doing a meeting.
 Is everyone all set on this and on the same page?

Just checking in to make sure I don't need to do anything at this point.

Thanks.

Okay, I will find out from the Director. He is out today and tomorrow but will be checking his email.

His schedule is extremely tight Dec. 8-12 (AL Th/Fr) but I'll see what he wants to do.

I am also copying Maggie Datema – Maggie, please see note below.

Thanks.

Mary Beth,

Director Wyant had suggested a meeting with Flint area members of the state legislature and others to provide them information about a water standard violations which may occur.

My office anticipates receiving the applicable monitoring results for determining such a violation during the week of December 1-5.

If the Director would still like to hold such a meeting, it would be best to do so during the following week December 8-12. Can you let me know whether this will work so we can start the planning process?

Thanks.
