Liane/Richard: Can you please send me copies of Flint's lead compliance monitoring sampling results for 2014? I've got the January – June 2015 sample results from you last week. I want to take a look at the results and the locations.

Thanks.

In this e-mail, I am making you aware of what we know regarding the Flint lead situation.

1) They do not have an approved lead sampling pool. Only 13 of the lowest lead sampled homes from 2014, were resampled in 2015.

The homes sampling high in 2014, were not asked to be resampled.

At best, their program is sending out sampling bottles at random across the city.

2) This message exemplifies the type of site selection, that they are doing to satisfy their high risk LCR monitoring pool site.
