Forwarding to you as Richard is out, I will cc him though. Please forward to your staff that you believe may have items, specifically #3, complaint calls received (obviously you cannot FOIA a telephone conversation, only if notes/subsequent e-mails were sent regarding a complaint that was received).

Thanks,
Tracy Jo

Central staff receive complaint calls and should be included in this FOIA. Whether they responded directly or if they just took a call and referred it to the District, it needs to be included. Thanks.

Here is the string of responses including Richard/Kris responses for the FOIA, if you feel that Pat Cook should see this, I can forward it to him. ODWMA-Central never directly received this FOIA, it was forwarded to us from Jo Anne from the district and we responded by September 30th which was before Pat had been tapped to go upstairs to a meeting, etc. or get more involved in Flint, which is likely why Richard/Kris didn't forward it on to any other potentially involved staff at that time.

Thanks,
Tracy Jo

Debbie already answered item 1 of this FOIA in the attached.
 The remainder of the FOIA will be in district files.

Kris can probably provide the information on violations in the annual reports and tell the requester they can "disaggregate" the information. There will be no annual reports for 2015 as that report won't be completed for almost another year. The rest of the information should be in the Lansing District files with the possible exception of complaints – some of which may have been received in OEA.
