I forgot I have a retirement party that afternoon. I can probably make a 3:30pm, but 4pm would work better for me if you guys could do that instead.

Sounds good. I will send over the appointments and we will play it by ear.

Thanks.

Not sure about the webinar, but I'm available at 3:30pm. I might be able to make the webinar, but it's difficult to predict at this time...

Hey Liane,

Thank you for pointing out the concerns. I talked with Linda and she would like to talk through options next week. Everyone is out tomorrow.

Would you be available Monday afternoon?

There is a webinar, which I will forward to you, that the EPA is putting on about corrosion control.

Would you like to watch the webinar with us and then go over the factsheet after that.

The webinar is from 1:30 to 3:30 pm.

Thanks,
