Subject: RE: Request for Water Analysis Form
Date: Tuesday, October 20, 2015 4:46:00 PM
Attachments: [EQP 2300 32CC fillable 2.pdf](#)

Kirby – Attached is the fillable form with the generic information completed. Thanks.

FYI – sampling will not be occurring Thursday as originally planned, but rather on Saturday. If it's inconvenient to have everything ready tomorrow afternoon, we do have a little more time.

Liane

Subject: Request for Water Analysis Form

All – Attached is the Request for Water Analysis fillable PDF form. If there are fields on this form that can be pre-filled, please do so and send back. We will print 150 copies tomorrow to include with sample bottles.

Thanks!
