I hope to get the stage 2 VNs drafted shortly and will send them along.

FYI – the following schedule 1 systems have monitoring due in Nov:

- Flint (4 sites) (DEQ) – Don't see results in WaterChem

- Lapeer (2 no dual) (Para)

- LBWL (2 sites) (Para)

- DONE - Genesee Twp (2 sites) (DEQ) -- confirmed results in WaterChem

Perhaps they already collected (since they have been quarterly all along and haven't missed yet), but if not, they only have until tomorrow.
