Hi Brad,

I reached out to Steven, but couldn't get in touch with him. I have an appointment at 4 p.m., so I'll be out of commission afterwards. If he can be reached, the reports I was referring to can be found here: http://www.mlive.com/news/flint/index.ssf/2014/07/flint_starting_to_flush_out_d.html

If possible, I'd be happy to receive comments by email. I'm looking to see if there's any understanding as to what caused the discoloration.

As always, I appreciate your help.

Thanks,

Ryan Felton
