Hello George,

Just a quick follow-up email regarding our telephone call yesterday morning.

I've spoken with Mike Glasgow and he too plans to meet on Friday morning from 8:30-9:00 a.m. with the Superintendent and the reps from the US EPA.

The meeting will be held in the Business Office Conference Room in the Flint Schools Administration Building (923 E. Kearsley Street, Flint 48503).

Please kindly reply to my email so that I know you've received it and please send me the contact information for your assistant so I can be sure to include her on future correspondence.

Thank you.
