Sorry about the delay, but this is my first day back. I am currently scheduled to be out of town on the 12th. I have absolutely no problems with Steve Busch representing the department on the treatment plant issues. If you do get into the matters involving the transmission line, please invite Steve Ashford as well.

On August 12th, I may be in Arizona. Tentatively I am scheduled to be there from August 11th-16th as part of a teaching and consulting job. I'll know more in a week.
