Subject: FW: Lime Recycling Program - MI

Hi Kris - Can you please get me a list of WTP's that use lime for softening along with the contact (OIC) info?

Thx --- pat

p.s. No hurry on this, whenever you get to it.

Subject: Lime Recycling Program - MI

Hi Pat:

Thanks for spending time with me today regarding our Lime Recycling Program. I would be interested in receiving a list of drinking water treatment plants located in the state of Michigan, which use lime in its conditioning process. My contact information is listed below. Also, for your review, I have attached some information which briefly describes our Program.

Thanks again for your help.
