Subject: Invitation to KWA Pipeline Groundbreaking Ceremony - June 28th

Dear Stakeholders,

Commissioner Jeff Wright would like to invite each of you to attend the Groundbreaking ceremony for the Karegnondi Water Pipeline, which within 3 years will allow us to control our own destiny when it comes to drinking water costs and services. Attached are an invitation letter, a flyer with more information, and a map of the area. Commissioner Wright will be mailing you a copy of each of these, but we wanted to make you aware of the event as soon as we could so that you could reserve the date. As this is truly a momentous moment for this area, as well as the state overall, we hope your schedule allows the time to join us in commemorating the beginning of this project.

If you have any questions at all, please do not hesitate to contact me directly. It is also important to get an accurate count of attendance, so please do RSVP when you can.

Regards,

Kevin A. Sylvester
