

Right now I know Rep. Charlie Smiley and Rep. Pam Faris are planning to. We've got staff from other offices going, but those are the only two sitting state electeds that have RSVP'd so far.

Kevin,

If possible, could you let me know if any members of the state legislature are planning to attend?

Steve,

That sounds great. I will reserve two spots for the bus. We are still working out last minute details, so I will need to get back with you re: locations etc....

Thanks again,
