Not much of an internet presence here.

The Renaissance Observer is located at 19350 Livernois Dr. in Detroit, and is a paper. The phone number on the Chamber of Commerce's listing matches the one Rosemarie sent you for the reporter. That's about all I can confirm. That and their publisher, D. Etta Wilcoxon, ran in the mayoral primary in 2009.

Gail Majors is even more elusive. White Pages confirms there is someone by that name in Southfield, but that's all I've got.

Would you like me to call her and get more information directly from her?
