Mary Beth and Brad,

Please see the note below. I assume but wasn't sure who from the executive office will be participating in this visit by EPA to Flint, but as noted drinking water is likely to come up and while the Administrator has been briefed by regional EPA staff they likely don't have all the details that we do.

Our Regional Administrator, Susan Hedman, will be traveling to Flint this Friday to discuss Brownfields. Of course, we think the discussion will more likely be about the drinking water. Tom Poy and I briefed the RA yesterday on the pertinent issues. I will forward the briefing when it is final. Please don't hesitate to contact Tom Poy (312-886-5991; poy.thomas@epa.gov) or myself if you have questions.
