Brad,

Mr. Howard Kroft from the city of Flint has prepared a draft Public Health Advisory regarding lead in drinking water that he intends to publish today. Mr. Kroft requested us to review the draft advisory and make any revisions as needed. Attached is a copy of the draft advisory along with our tracked changes. If there are any further edits you see fit, let me know. Also, I will be out of the office today after 11am. Thanks.

Michael Prysby, P.E.
District Engineer
Office of Drinking Water and Municipal Assistance
