Subject: Bottles for flint Public Schools
Importance: High

Steve,

The order of 50 lead/copper bottles for Flint Public Schools is ready. The boxes are in the lobby at the laboratory waiting for pick up. Each bottle has a green sticker reading "Flint Public Schools" for easy identification when it arrives at the laboratory. All of the forms are together in the smaller of the two boxes. These forms have "FLINT LEAD TESTING" written in red at the top of the form.
