Importance: High

Hi Karen,

Below are the longer narrative version comments for the this week's action steps. I will hand deliver the chart with updated comments to you.

Thank you
 George

Action Item 6

Based upon discussions with Genesee County and the city of Flint, the portion of the 72-inch transmission main (pipeline) that was taken out of service, while the Flint Water Treatment Plant (WTP) treated water from the Flint River, was flushed and disinfected in accordance to AWWA Standard C651-14. Two sets of samples were collected from two locations 16 hours apart for total coliform analysis. The city of Flint and Genesee County has informed the DEQ that both sets of samples are Non-Detect for total coliform. Based upon the disinfection

procedure and the absence of total coliform from both sets of samples, the un-used portion of the pipeline may be placed into service.

Action Item 8

The initial meeting with the City of Flint has been confirmed and scheduled. The meeting will take place at the Flint City Hall on Friday October 16, 2015 at 10:00 AM. In attendance will be representatives from DEQ, DLARA, DHHS and the City of Flint. The meeting will cover progress by each partner to date along with a discussion of action items for the following week.

Action Item 9

Due to scheduling conflicts the tour of the Fling WTP has been postponed until the week of October 19th.

Action Item 14

The City of Flint has been contacted regarding the delivery of homeowner samples and it was agreed that the current method of sample delivery was mutually beneficial and that the practice would remain in place.

Action Item 15

The City of Flint has been contacted and they have agreed to forward all lead testing requests by businesses directly to the DEQ Lab. The DEQ Lab contact information has been provided and the City of Flint has distributed this information to appropriate staff.

Action Item 20

This item will be discussed at the meeting with Flint scheduled for 10/16/15

Action Item 21

This item will be discussed at the meeting with Flint scheduled for 10/16/15

Additional Actions

A meeting has been requested between the DEQ and the Genesee County Health Department. A request to meet has been sent along with a list of proposed agenda items. A proposal for weekly meetings either by phone or in person has been made to GCHD so as to strengthen our partnership with them.
