Subject: RE: Genesee County Health Department EOC 11/19/15

This is an informational update and the Genesee County Health Department will provide these updates on a daily basis after 4 pm. We are asking all partners included in this email to provide any pertinent updates **DAILY** to Hilda McShane by 2:00pm. If you have nothing new to share, please inform Hilda that you have no updates at this time.

- FCS has the following inventory below remaining for distribution in our M&O Site. Please keep in mind that the ZeroWater 32-Cup Pitcher Filters are replacement filters for the Flint Community Schools, Private Non-Public Schools, and Public Charter Academy classrooms that have requested them. The ZeroWater 8-Cup Pitcher Filters are the items available that distribution agencies can request to be picked up if needed.

ZeroWater 32-cup Pitcher filters # Balance 1,616 filters

ZeroWater 8-cup Pitcher filters # Balance 1,340

Subject: Re: Genesee County Health Department EOC 11/17/15

Genesee County Health Department is working with the CDC to develop phosphate educational materials.

United Way (UW) CEO, Jamie Gaskin and Genesee County Health Department Health Officer, Mark Valacak have been discussing the strategic use of Americore volunteers during this water crisis. Suggested volunteer work includes: distribution of filters, lead education, and assist at health fairs and at church exhibits. Volunteers may be available in February of 2016.

UW Jamie Gaskin reported that UW will giveaway 110 Thanksgiving baskets. The baskets will contain a water filter system.

For those who need 8oz - Zero cup water filters, please contact Tony Sitko at Flint Community Schools. His email address is: tsitko@flintschools.org.

Genesee County Health Department will give City of Flint 50 PUR water filters for distribution at City Hall.

Water filter distribution is well over 13,596.

BJ Roach from the State Police had nothing to report at this time.
