Hi Lisa,

I don't believe anything needs to be done with the Excel Spreadsheet. My guess is that a pdf of it will be posted online at some point but I included it as it is an accompaniment to the report. I'll defer to George on any next steps etc. as he is giving the final ok on it. Thank you for the quick turnaround!

Thanks,

Tracy Jo

Hi Tracy --

Attached is the report. What do you need me to do with that Excel spreadsheet? The other report I put together didn't have one of those so I'm unsure as to what I need to do with it.

Thank you!
