This is an informational update and the Genesee County Health Department will provide these updates on a daily basis after 4 pm. ****We are asking all partners included in this email to provide any pertinent updates **DAILY** to Hilda McShane by 2:00pm. If you have nothing new to share, please inform Hilda that you have no updates at this time.***

- The United Way is working with MDHHS on 12 truckloads of water delivered from South Carolina. MDHHS will work on getting the shipping costs covered.
- The United Way is working on talking points that can be used when agencies and organizations are approached by groups looking to donate water.
- The Flint Community Schools did a survey of their water donations, and there is no concern about water expiring at this time.
- PUR is considering donating replacement cartridges, but has not given an official statement at this time.
- United Way will work with GCCARD to address some housing complexes that may need help getting water filters installed for residents.
- The City of Flint is working with MTA to distribute filters to disabled individuals.

That is the update for today.

*Hilda McShane is off this week. If you have information to share with the group on Wednesday, please email Tamara Brickey at tbrickey@gchd.us.

Thanks,

Tamara Brickey, MS, CHES

American Red Cross, Genesee-Lapeer chapter in conjunction with their fire education and prevention program is working with the Genesee County Health Department to develop a community outreach program around lead concerns.
The daily water crisis update will not be distributed on December 24 or 25. The next update will be distributed on Monday, December 28.

Happy Holidays to you and yours!
