Jeff,

In looking at some of the Flint TTHM material for tomorrow's TAC meeting.....I noted our March 1, 2015 comments pertaining to the most recent Operation Evaluation Report prepared for Flint. I didn't see an electronic "sent date" to you on this document. It may be that I hand delivered our comments to LAN during our first TAC meeting on March 4th. If not, attached are our comments and I apologize in the delay. These comments can be addressed in the next report due on May 29, 2015.
