Subject: res well sampling planned in Flint Township this Sept. or Oct.

Hi, Mike. Just a heads up that we are planning some res well sampling in September or October (November if needed) this year and need to coordinate with you during the planning and execution of the sampling as well as communicating with well owners once we have results. We will be conducting a site inspection of the Container Specialties Inc. site at 3261 Flushing Road, Flint, which will include soil, waste, and groundwater sampling. FYI

Container Specialties Inc

Parcels with no public water supply connection
