

We just got a foia for a bunch of lead/copper data and a few of us were wondering when you made the switch to DWSD?

Jeff,

All is good, Mike and I are always here and ready to assist. Just wanted a ball park figure of operators who are testing.  
 Thank you

Hi Jeff, I forwarded your note to Scott Schmidt this morning.

I was informed last week that I am expected at your facility on Wed, 11-4 and assumed the arrangements were already made with you or Michael by someone in OpCert.

I have the exams in my office-we are expecting 45 operators this time.

I may not be able to attend due to recent health concerns but hope to and, if I am not able to, Pat Brennan will be there.

Thanks,  
 Jeff
