Mr. Wyant,

Congressman Kildee would like to schedule a conference call with you to discuss the water issues in Flint and Michigan's Wetland Program.

I would like to see if you would have time for this discussion next Thursday, April 23, at 10:00AM.

Thank you,

Nathaniel A. Brunner
Scheduler/Executive Assistant

Now they are concerned and rightfully so about the lead level studies they are receiving from the DEQ samples. Can you take a moment out of your impossible schedule to personally take a look at this? These folks are scared and worried about the health impacts and they are basically getting blown off by us (as a state we're just not sympathizing with their plight).
