Hi Valerie,

I hoped to catch you on the phone, but didn't make it through. I wanted you to hear from me that NRDC's litigation team is at this moment filing a notice of intent to sue among others the City of Flint, Governor Snyder, and Dan Wyant under the Safe Drinking Water Act. NRDC along with the Concerned Pastors for Social Action, Melissa Mays, the American Civil Liberties Union of Michigan will working together in the state on this issue. I can put you in touch with those working in Flint if you'd like and will continue to be a resource and partner on all energy related matters. Please let me know if you have questions or would like more information.
