Perfect! I'll text Kory and Jen and let them know...They're already over there meeting with someone else currently...

Just fyi, here is the updated version. Corrected "no lead" to "lead free" per Section 1417 of the Safe Drinking Water Act, "get rid of lead" to "reduce lead" and "on pipes" to "inside pipes."

See you soon!

Importance: High

Sorry Liane - I have a few last minute changes to the phosphate fact sheet that I'm incorporating now. I'll bring copies of the current version to our meeting at 2pm.

Can you please let us know where your office is, actually? ☺
