I seem to recall Amy indicating they could give a talk prepared by Steve if he was unable to make the meeting, so I sent a note to her asking if she wished to have one of the district staff give the paper or if we should ask Pat. Kris thinks Pat may be here Friday to ask.

Yes, Steve will plan to attend the Flint meeting on Tuesday.

He had a conflict in Wyoming that Pat Cook will cover. (Richard -- you'll need to make sure that Pat knows he needs to attend the meeting on HABs in Wyoming. Probably should put a placeholder on his calendar).

Can you join us with some Flint community leaders on Tuesday at 9:30 to talk about these water quality issues (probably need to bring your science guy)? Tom and Wayne will be there and Harvey and I promised these pastors we'd have real information for them and we do.
