

Back up date in case needed this fall:**Monday, October 13**

Please note that I did not check your calendars tonight on some of these dates but I will work with you wherever we can. I hope that I gave all of you at least 2 opportunities. If not, please let me know. I will also work this week in getting these on the Outlook calendar.

I appreciate your patience as we work through this. We look forward to working with you. Sarah Howes and Brad Wurfel will be contacting you in the near future to start the arrangements. This will be an exciting year in Telling Our Story!

Thank you.

Subject: Site Visit Dates

Dear District Coordinators,

I know you are all anxious to get started with site visit dates. I have given some of you dates but others I am still working on. I hope to get you final dates very soon.

Phil, I left you a voice mail today. Will Friday, June 20 work for Northern MI? Director will stay over and then head to the RAM Center on June 21 to speak to MUCC at their annual meeting.

Phil, the Director has a speech at Boyne Mt the evening of June 26 and would like to do site visits on Friday, June 27. Can you make that work?

Phil, in addition, Director will be in the Gaylord area on August 12. He will want to visit with staff that day and I may arrange for him to stop at RRD's In Service Training on August 11 or 12.

Mitch, I have given you Friday, May 2. (In addition, possibly one site visit the afternoon of Feb. 28)

Steve, I have given you July 30, 31, and August 1 for the UP. Also, as you know the Director will be in the UP on Friday, February 14 and that day is all set.

Andy, I've given you half day on March 12 since the Director will be in Detroit. There will be other dates coming.

Others: I will be in touch soon; hopefully yet this week. I have not forgotten you. I have several dates on hold that I will be able to offer.

I will be out of the office tomorrow, Feb. 12.

Thank you for your patience.
