Subject: Fwd: Flint Water Issue - Rep. Kildee Letter Received By Federal Agencies
Attachments: 09-22-15 Kildee Requesting Temporary Assistance for Lead in Flint Water.pdf; ATT00001.htm; Flint Pediatric Lead Concerns REVISED.PDF; ATT00002.htm

I have attached the communication I received tonight from Capt. Kelenske about the Flint water issues. It involves a hypothetical situation. I believe that Corinne's staff have been working on this issue and may give some clarification.

Jackie

See attached and a portion of what I sent up. We have not gotten any requests for assistance from the local EM.

Subject: Flint Water Issue - Rep. Kildee Letter Received By Federal Agencies
Importance: High

Attached are two documents for your information: 1) A letter from US Representative Kildee to Craig Fugate of FEMA, HHS, EPA, and CDC and 2) a PowerPoint on Flint water concerns. Essentially, Representative Kildee is requesting FEMA take action to resolve potable water quality issues associated with the Flint water system.
