Elizabeth, Eden, and Geralyn,
Attached is the request we received from the Genessee County Health Dept for data from WIC. The purpose of this data is to find where the WIC clients are so they can get filters out through the United Way donation.

We are still working on getting this data for the Health Dept.

Attached are the following: Health Dept Data request, our WIC comments revised 10.1.15, and the contact for Mead Johnson.

The donation on bottled water was done earlier through United Way and some to their Diaper Bank.

Let me know if you have any questions.
Thanks,
Rashmi
