Sharing on behalf of Mikelle.

Hello,

Due to problems with our state phone lines, including conference lines, I am cancelling our 12:30 call re: Flint water. Attached is our latest action plan. If you have any updates for any of these categories, please send me information via e-mail and I will update the chart. If there's something urgent that you want all of our participants to be aware of, please respond to all on this e-mail. I'm available by cell for anyone needing to speak to me in person. PPI

PPI

Thanks everyone.

Mikelle
