\f0Martha,

 \f0I assume you have seen these and reviewed and approved. Their format appears to be consistent with past years surveillance reports from CLPPP.

All

A reporter with Bridge Magazine is requesting the statewide 2014 (and if possible, 2015) CLPPP data. Bob sent me the attached county-level info for 2014 which I have not shared yet, as it's not the final report.

We would like to touch base to make sure the data has been finalized and reviewed by epi before it's posted online.

Eden we'll reach out to you in the morning to discuss the media request. Beyond the data, the reporter is also interested in discussing home lead investigations.
