This is an informational update and the Genesee County Health Department will provide these updates on a daily basis after 4 pm. We are asking all partners included in this email to provide any pertinent updates **DAILY** to Hilda McShane by 2:00pm. If you have nothing new to share, please inform Hilda that you have no updates at this time.

City of Flint water filter and filter distribution has increased at City Hall. The Genesee County Health Department will give City of Flint both water filters and filters to keep up with the increased distribution traffic.

Genesee County Health Department's Nursing Director, Toni LaRocco, continues to develop partnerships with area churches to host blood lead screening clinics.
