Okay, I was thinking they were separate. Guess they are not only offering services to their members and that is a nice thing to do for the broader community.

"Gratitude unlocks the fullness of life. It turns what we have into enough, and more. It turns denial into acceptance, chaos to order, confusion to clarity. It can turn a meal into a feast, a house into a home, a stranger into a friend. Gratitude makes sense of our past, brings peace for today, and creates a vision for tomorrow." - Melody Beattie
