Subject: RE: Flint Water Emergency

Thanks Richard and Jacqui,

I have a standing appointment with the DEQ, LARA, and the city of Flint to meet at 10:00 am every Friday. George Krisztian, DEQ facilitates the meetings: the mayor, city administrator, and the Flint DW manager are typically in attendance, as well as Eden Wells. Depending on the agenda, I either call in or drive to Flint for the meeting. Today's agenda was supposed to be all about engineering so I was planning to call and just listen in.

I just spoke with George. He was unaware of the Department EOC meeting. I'll let you know if I hear anything more on the EOC meeting during our call tomorrow with the vendors.

I will forward yesterday's letter to Sandi Kay Mose so she has information about HHS activities.
