Subject: Yet another Flint request.

Hi Yan,

We were asked to provide the number of children < 6 years of age, tested and number ≥ 5 EBL for Flint (same zip codes as before) for the time period Jan 1, 2013 through Dec 31, 2013. Deduplicated to child Id, retaining highest test. Does that make sense? They need it ASAP.

Thank you and let me know if any questions.
