Subject: Genesee Legionellosis results

Attachments: 20150522 Legionellosis Analysis Summary.docx

All,

Attached is a draft of the Genesee Legionellosis investigation results. I tried to compile everyone's analyses into a single document. Please let me know if I'm missing anything.

Would you like to have internal meeting next week to discuss/decide what to share with Genesee and CDC?

In the meantime, Lily, Veronica and I are going to double-check the numbers.

Thanks,

Meghan
