I don't recommend replacing the bullet for the website, it's a comprehensive list and may be useful for anyone considering a filter.

Toni, should we add the documentation requirements that people need to demonstrate to get the free filter? It may not be an issue, since driver licenses have zip codes.

I'm on it. Would you recommend that replace the bullet point that directs people to go to your website for a list of approved ones? Or are there certain eligibility requirements to get a free one?

Hi Michelle,

We have another edit request for the Lead – Flint Water FAQ. Please feel free to wordsmith the highlighted red. It might be appropriate to list under the second page heading "Have Questions?"

If you receive City of Flint water, you can contact 211 for more information on where to pick up your free water filter.

Thanks Jim

Hi Michelle,

The only edit request that I've received so far is from my health officer. Will you please switch the logo on the two fact sheets with the one below and send me the revisions?

Thanks Jim
