Not to be a pain, but if changes are required, they should be able to make those updates themselves rather than dictating them in an email.

Updated letters with the correct phone number attached.

"Gratitude unlocks the fullness of life. It turns what we have into enough, and more. It turns denial into acceptance, chaos to order, confusion to clarity. It can turn a meal into a feast, a house into a home, a stranger into a friend. Gratitude makes sense of our past, brings peace for today, and creates a vision for tomorrow." - Melody Beattie
