No Matr indicated he would play it by ear based on customer traffic.

Hi Jen,

So far I have not heard about a Saturday distribution. If anyone has additional information, please share it with us.

Thanks,

Subject: RE: meeting call in information

I will be participating in an exercise that morning with one of our local schools and will be unable to attend. Please send out the follow-up report for that morning's meeting.

At this time, I have no volunteers coming forward to volunteer during the current established dates and times of distribution.

A group from Kettering would like to do something on Saturday, please let me know if there is a need that needs to be met!
