Subject: FLINT WATER - MEETING TODAY

Importance: High

You will be receiving a meeting notice from Beth Emmitt for a meeting with the Governor this afternoon. Listed below are areas that we should provide him an update on engagement; if not yet engaged, then we need to engage asap.

1. Emergency management – similar to disasters, is there some form of action we can engage for this situation to help manage
2. Chief Medical officer – should be speaking with Hurley
3. WIC – re water and formula – status update
4. Drain commissioner – how do we expedite KWA

Looking at a 1 pm meeting – let me know if you have questions on the above.

Thanks
