Sorry I was triple booked yesterday and had to be somewhere else and could not call in.

Was there a decision made on the REFILL FILTER Distribution?

If so, are volunteers needed through our office?

If so, I need to know where and when!

I need to have something concrete by end of today or first thing tomorrow morning in order to have a chance meeting volunteer staffing needs! Please let me know. If I don't hear anything by 10am tomorrow, then our office will not be able to coordinate the volunteers.

Thank you,

Jen
